Sir:

On November 12, 2004, Applicant filed an Information Disclosure Statement citing five U.S. Patents. A copy of the Information Disclosure Statement and postcard were also attached to the Response to Office Action filed May 27, 2005 with a request for the Examiner to return an initialed copy of the 1449. A notice of Allowance dated August 10, 2005 was received without the initialed 1449.

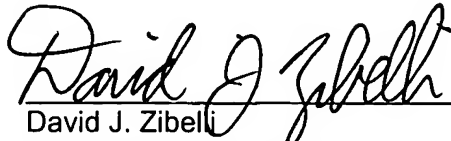

It is requested that the Examiner return to Applicant an initialed copy of the attached PTO 1449 form (a copy of the IDS and postcard filed on November 12, 2004 and the postcard dated May 27, 2005 are attached hereto) so that the references will be listed on the face of the Patent.

For the above reasons, it is submitted that the application is in condition for allowance. Prompt consideration and allowance are solicited.

Should there be any questions concerning this matter, the Examiner is invited to contact Applicant's undersigned Attorney.

Respectfully submitted,

Dated: August 23, 2005
